History of Ohio

Hundreds of millions of years ago the region that is now Ohio was marked out by nature to become a rich and populous state. Beneath the earth's surface tremendous natural forces formed seams of coal, pockets of petroleum, natural gas, and beds of clay and limestone; all of which were destined to make this region a great manufacturing center. A huge ice glacier which had extended over the North Eastern part of the state left deep fertile soil to make Ohio a prosperous farming region.

To the north of this region is Lake Erie, with connecting links to the Atlantic seaboard. To the northwest are the iron deposits of Lake Superior; to the South is the Ohio River leading to the Mississippi and the Gulf of Mexico.

Through these developments Ohio has become one of the leading industrial states in the nation. Even though it ranks 34th in size, it is fifth among the states in population.

Ohio was the first state carved out of the Old Northwest Territory. Seven Presidents rose from the state of Ohio. They were Ulysses S. Grant, Rutherford B. Hayes, James A. Garfield, Benjamin Harrison, William McKinley, William Howard Taft, and Warren G. Harding.

In 1803 Ohio was admitted to the Union on February 19, as the 17th state. The first capital was Chillicothe, and the first governor Edward Tiffin. 1804 marked the first smelting furnace in Ohio, established near the site of Youngstown. In 1810 the state capital moved to Zanesville; in 1812 it returned to Chillicothe, and that same year moved and made its permanent residence in Columbus.

History of East

East High School was opened in September, 1926. J. W. Smith was principal from 1926 to 1948. E. E. Fell succeeded him upon his retirement.

At the present time our total enrollment is 1,498, taking in grades eight to twelve.

For many years we were known as the Sunrisers, but in 1950, upon recommendation of our coaches, and being agreeable to the student body, we adopted the Golden Bear as our symbol.

School colors are Blue and Gold.

Nuggets

"Nuggets" was chosen by Echo poll in 1951 as our official pet name for the Golden Bear, symbol of East in all athletic contests.

Class of '53

Class colors are Blue and White.

Class flower is Red Rose.

Foreward

In the course of the year Ohio will celebrate its Sesquicentennial. For one hundred and fifty years people have struggled to make Ohio one of the most prosperous states in the Union.

In order to do our part in the celebration of this milestone in Ohio history, we have dedicated a part of our Janus to salute the courage of its early pioneers in converting a wilderness into productive farms . . . in the foresight of its citizens to conserve its beautiful streams and forests . . . in the intelligent use of its rich mineral resources so that large and small industries prosper alike. We hail the good government of the great state of Ohio for its vision, its courage and imagination in shaping its destinies so that all within its borders may enjoy the good life . . . where, from a brave past, they continue to plan ahead to a mightier future!

We, the graduating class of 1953, are leaving with the hope that we have acquired sufficient knowledge in our four years at East High School to carry on successfully the example set up by the hardy pioneers.

We, the graduating class of 1953, with respect and high esteem, wish to dedicate our annual to Mr. Clyde Hake, former dean of boys for the past eleven years, who passed away October 5, 1952.

Mr. Hake came to East in 1928 from Brookfield, Ohio, where he had been principal of the elementary school. He was a quiet, helpful man and constantly read books to improve his work among students. When problems about school or even personal ones arose, Mr. Hake was the first person to whom the boys turned.

Mr. Hake lived a full and useful life and the memory of his friendly, helpful spirit will live on in the hearts and minds of the boys and girls whose lives he touched.

Principals

E. E. Fell

For one hundred and fifty years Ohio has exercised its responsibilities as one of the states of a great nation. During that time, much thought and effort has been expended on developing a fine system of public education. We are all justly proud of our schools, knowing as we do of the contributions made by educational leaders in the past, and the desire on the part of parents to provide the finest opportunities for their children.

You have had the advantages of all that has been done for education. We have confidence that your life will be a justification of everything that has been done for our schools.

Burton Honey

Congratulations to every member of the class of 1953. You have kept faith with the American heritage that a well informed people remain a free people. The fundamental processes for clear thinking have been given to you the past twelve years. May you always seek the truth as you try to find your niche in the world of tomorrow.

Youngstown

Tony Protopape
(hus?)*

If you would travel into the northeastern section of Ohio, you would come upon Ohio's third largest city, Youngstown. This metropolis, located on the Mahoning River, claims the distinction of producing more steel within its city limits than any other city in the United States.

Youngstown was named for John Young, who came here in 1797, and bought an entire township at the junction of Mill Creek and Mahoning River. Within a year 10 families had established themselves at Youngstown, and a little later a gristmill was set up at the falls of Mill Creek, a scenic park which covers more than 2,100 acres. Early in the history of the village Daniel and James Heston built the first blast furnace in the state of Ohio on Yellow Creek.

Vast quantities of raw material made it possible for the city to develop into a great iron and steel center. This progress resulted in the building of the Pennsylvania-Ohio Canal, completed in 1839 and extending through the cities of Cleveland and Pittsburgh. The first railroad was opened in 1853, followed by the four main lines now entering the city.

We can easily see that industry is the backbone of any city and this is especially true of Youngstown. But here, in the midst of a steel producing city, cultural, educational and recreational opportunities are found for all, making Youngstown a good place in which to work and live.

Class Officers

Officers of the senior class, Bill De Pietro, president; Barbara Kerchofer, vice-president; Angela D'Agostino, secretary, and Pat Carney, treasurer, are to be congratulated for their success in planning the year's activities.

Left to Right: Angela D'Agostino, Secretary; Bill DePietro, President; Barbara Kerchofer, Vice-President, and Pat Carney, Treasurer.

Social Committee

Thoughts of dances, banquets, class night, etc., constantly ran through the minds of all members of the '53 social committee and their chairman, Anthony Infante. This committee's hard work made every project of the graduating class loads of fun and successful.

Advisors

To. Mrs. Julia Wood Smith, Mrs. Leona Samsa, Clarence Goterba, and Pete Lanzi goes a great big "Thanks!" from the senior class for the helping hand they gave to make the seniors' road, during their last year of high school, interesting, enjoyable and successful.

Mill Creek Valley was a favorite camping ground of the Indians. Though they did not settle here they often stopped in the Mill Creek gorges while passing through the region from Ft. Pitt to the Northwest.

Powers and Hill, probably the first white men to visit and see the falls, purchased land which included the falls in order to set up a saw mill.

Lanterman Mill, the third on the small site, was built in 1845-46 by Kimberley and Lanterman. In 1892 it became the property of the Commissioners of Mill Creek Park, who determined to preserve it as a landmark.

Sometime between 1821-1830, when the woolen mill was built and the day it was abandoned, the historic Mill Creek Furnace was erected.

In the year 1890, a young man first glimpsed the beauties of Mill Creek and made a vow to preserve its pristine freshness for future generations. This youth was Volney Rogers, born December 1, 1846 in Columbiana County, Ohio. His birthplace was the old Rogers homestead east of Rogers, Ohio, on a farm purchased by his grandfather from government officials at Chillicothe, at the time it was the capital of Ohio.

From the year 1890, when he discovered Mill Creek and its ravines and gorges, Mr. Rogers' life was intimately bound up with Mill Creek Valley and its environs. Upon hearing the rumor that a stone quarry was to be opened in the sandstone cliffs just below Lanterman's Falls, Rogers acted rapidly. He laid plans for the conversion of the region into a park and discussed the possibilities with prominent men in Youngstown.

The bill, known as the Township Park Improvement Law, was submitted to the vote of the people of Youngstown in 1901. Rogers won a signal victory in his battle to preserve and create Mill Creek Park. To aid him he called in three of America's best landscape artists, W. H. Manning, E. Elliot, and H. W. Cleveland.

Their greatest contribution to the park, and their greatest help to Volney Rogers was their advice to let the park grow naturally beautiful and to touch it as lightly as possible with human hands.

With the City of Youngstown trying to incorporate the park into the city, and his defeat in trying to obstruct the sewage system through the park, Rogers, heartsick and weary with his struggle against commercialism and practicality, planned a trip to free his mind. While away he contracted a cold through exposure and died December 3, 1919.

In October, 1920, the unveiling of Rogers' statue, with his umbrella, his ever present companion through rain or shine, was formally held. The sculptor, F. C. Hibbard, had offered to sculpture Rogers when he was alive, but because of his modesty and reluctance, he had declined the sculptor's good will.

Apple Blossom Time Prom

In keeping with the spirit of Ohio's Sesquicentennial, and the theme of our Janus, the "53" prom was probably the most beautiful of all.

To the dreamy music of Nick Barile's orchestra as they played "Beautiful Ohio," attendants waltz-stepped through a bower of apple blossoms. The king and queen, whose identity up to that time had been kept a secret, were brought forward and crowned by Bill DePietro, class president.

In the contest held for the best plan for the prom, the one submitted by Gerry Maytas, Angie D'Agostino, Lillian Mastropietro, and Katherine Murphy was used.

What a Riot ! ! !

"Love is in the Air"

Around the turbulent Truitt house, "Love is in the Air"—Air momentarily charged with adult preoccupations and youthful frustrations. Gladys hasn't been able to maneuver bashful Roscoe into proposing. Clarence, "seventeen" as they come, can't find out the name of that new girl across the street; Maggie, a thwarted thirteen, discovers that every boy she invites to her wiener roast suddenly develops a toothache.

Why did Gert, the intuitive mother, keep singing snatches of "You Are My Song of Love?" Why did Elmer, her matter-of-fact husband, wish he had never heard of a jet plane? Why did puttering, lovable old Gramps provide the biggest surprise of the play?

A. J. Whitaker's senior class play on March 27 gave the answers as Gramps was portrayed by Bob Slavin; Elmer, Bob Thompson; Gert, Mary Lou Zimmerman; Clarence, Pat DiRienzo; Hugo, George O'Neil; Maggie, Emma DiCarlo; Gladys, Miriam Abraham; Beanie, Joe Saadi; Jackie, Gerry Maytas; Poodles, Angie D'Agostino; Roscoe, Herbert Freed; Three Lady Buffalo's, Pat Mihalko, Barbara DeMain, and Barbara Maronde.

Steel Industry

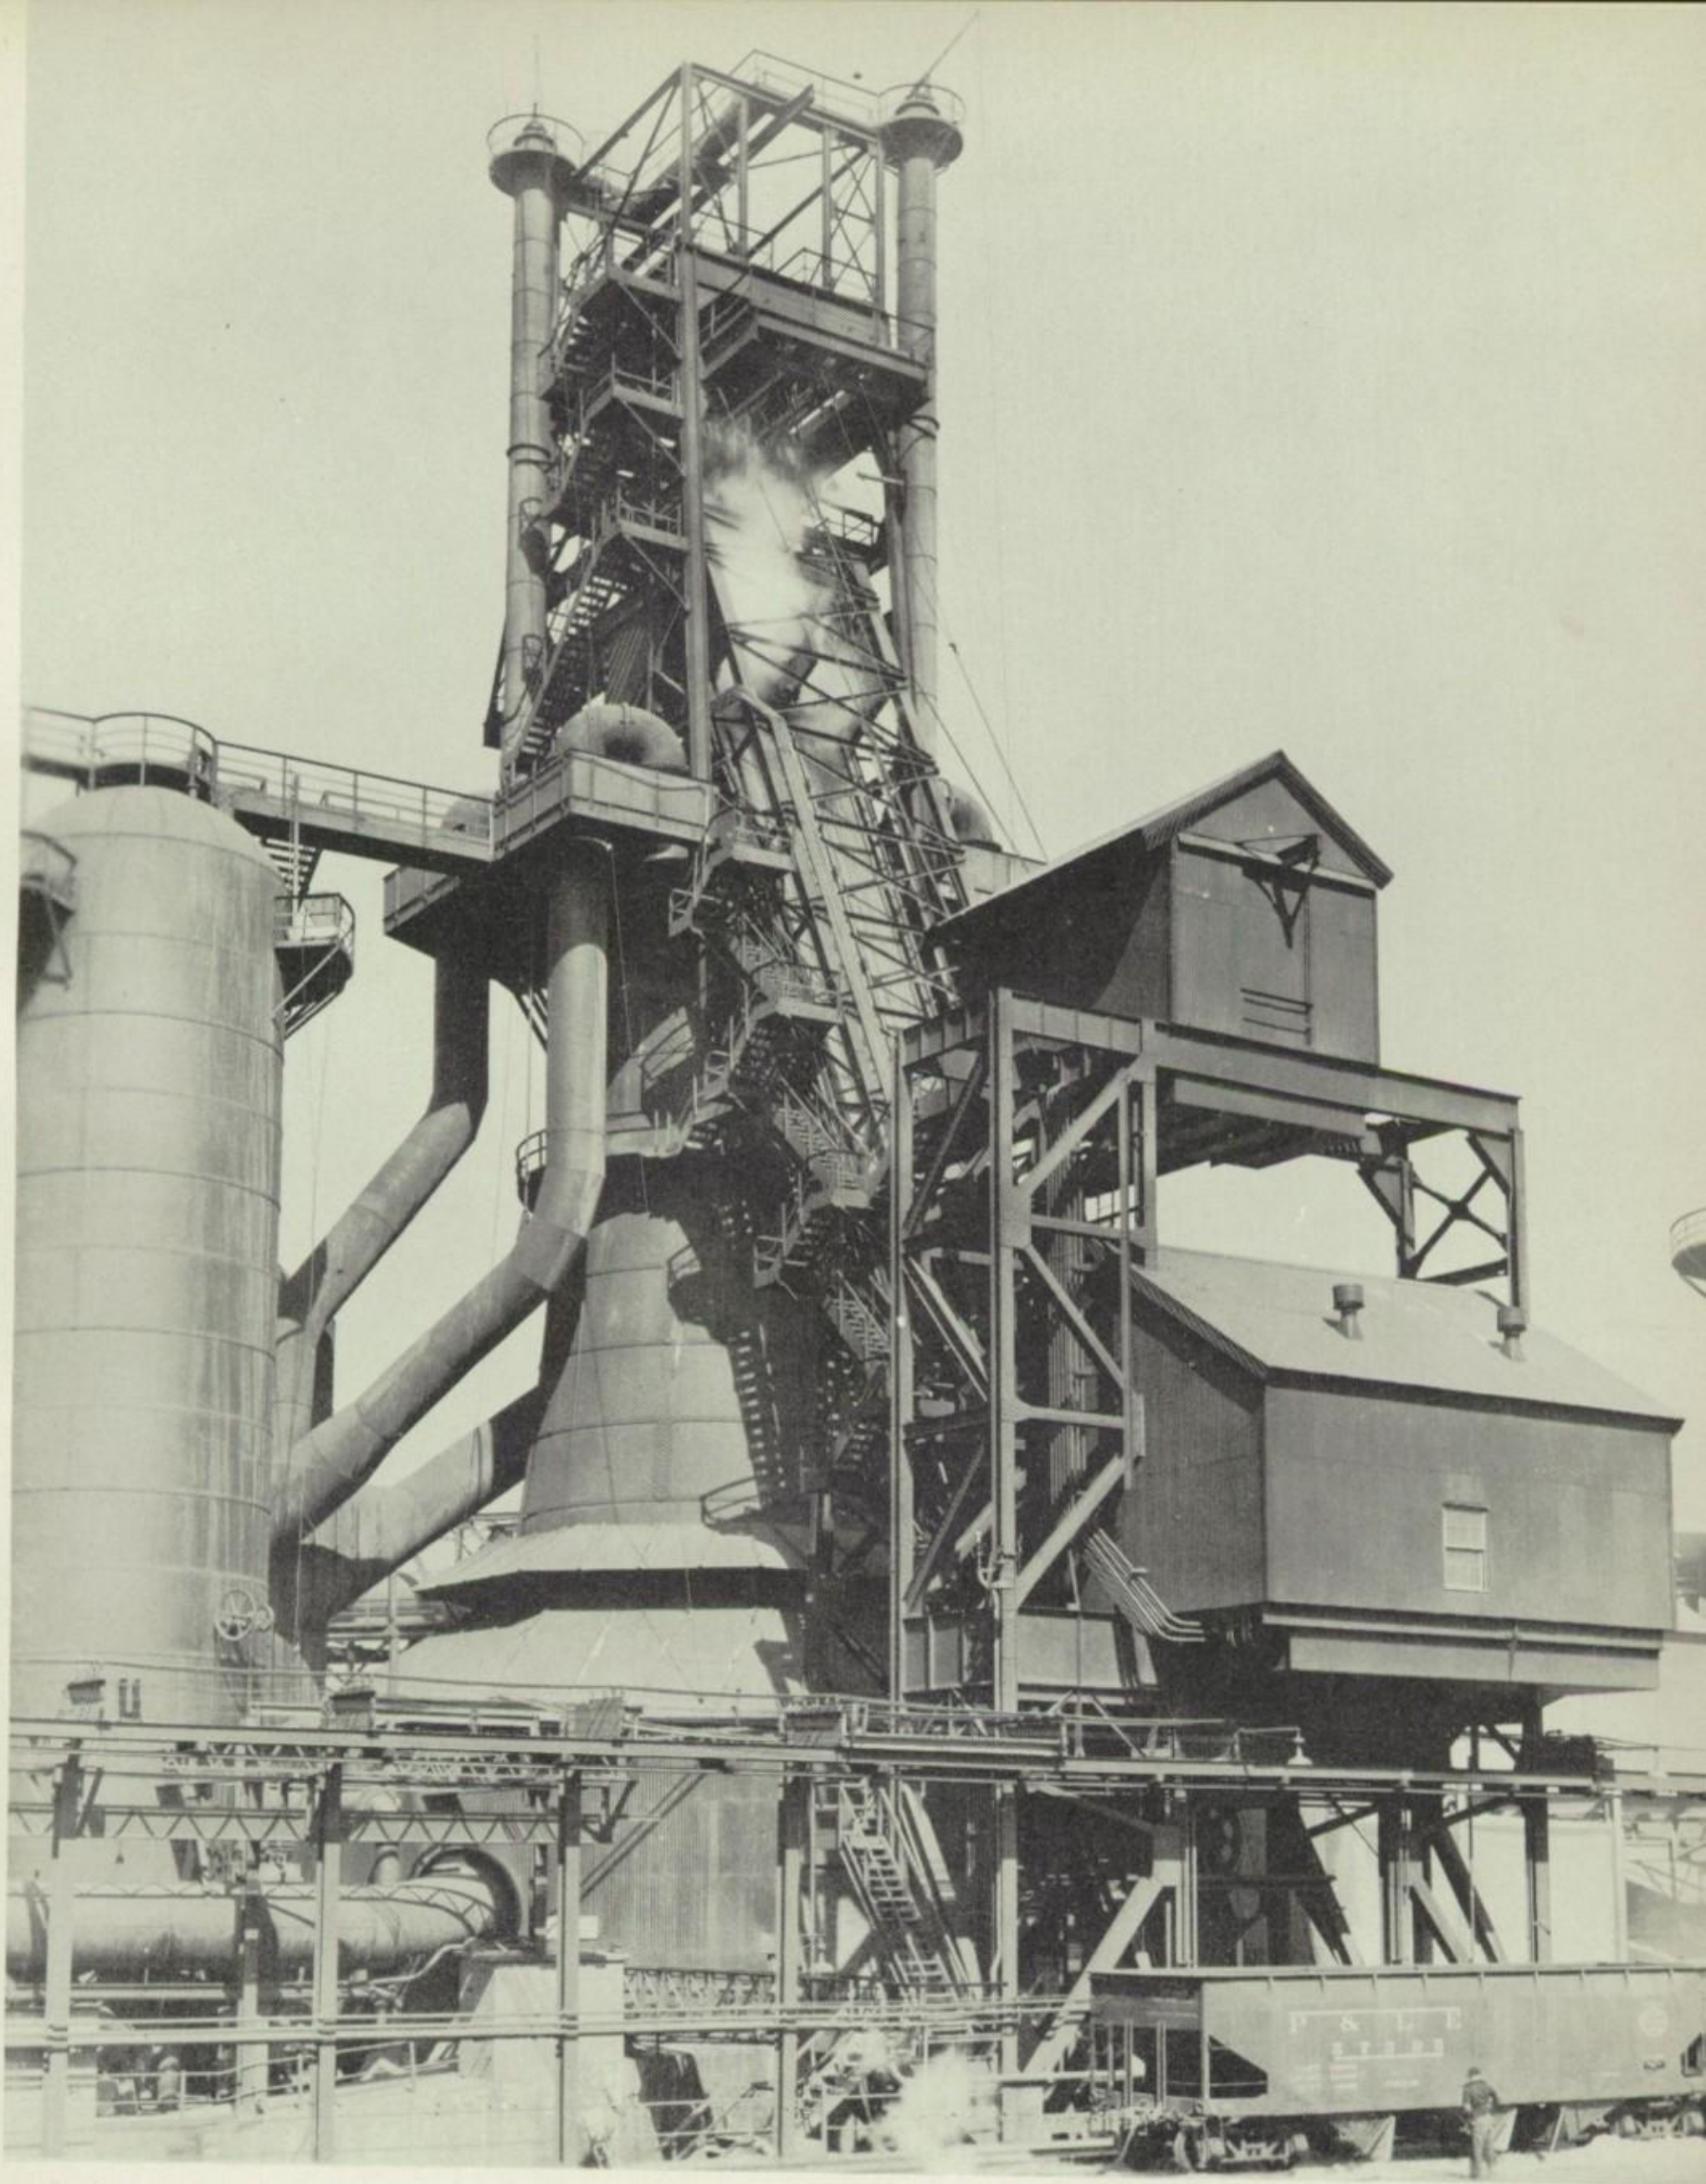

Industry in Youngstown has shown remarkable progress over the past one and a quarter centuries. The second blast furnace in the United States to use raw block coal and rolling mill for making bar iron were both built here in 1846. In 1856 a new smelting industry was brought to Youngstown from the shipment of ores from Lake Superior. Then, in 1895, the first general steel mill was erected in the valley by the Ohio Steel Mill.

Limestone quarries nearby have a combined output of 5,000,000 tons annually, and besides material for steel manufacture, supply brick plants, agricultural lime and other by—products. Important coke plants are maintained at a number of Youngstown works, and from the by — products large quantities of tar, benzol, ammonium sulphate, toluol, xylol and solvent naphthas are made locally, while other by-products are shipped for manufacture elsewhere. In addition to the production of raw iron and steel, Youngstown has extensive manufactures of finished steel products comprising mill machinery, sheets, bearings, shafting and structural shapes, seamless steel pipe and tubing, fireproof office furniture, and steel hooks.

During 1917 the American Iron and Steel Institute recognized the growing importance of Youngstown by creating the Youngstown District which includes Lawrence and Mercer counties in Pennsylvania, and Mahoning and Trumbull counties in Ohio. Today, Youngstown is known to most everyone as one of the steel centers of the country, and possible the world.

A Cappella

A dim Candlelight procession and background singing by Richard Campbell's Junior and Senior Choirs were among the features of the annual Christmas Pageant presented by Miss A. Weber's dramatics class.

Late in January, Campbell and cast presented with great success a Japanese Operetta, "The Mikado," which required long hours of hard work and practice. Several musical selections at Baccalaureate marked the end of another successful season.

Orchestra

Another important instrumental group in our music department is the orchestra. Excellent talent provides delightful entertainment as the singing of the strings replaces the boldness of the brass. John Raz, instrumental director, has done much to increase musical interest here at East.

Singing, plus acting equaled good entertainment on January 23, when the Japanese operetta the "Mikado" was given by the vocal department, directed by Richard Campbell. The leads were Lillian Mastropietro, James Freeman, Mari Lou Zimmerman, Barbara Maronde, Peggy Slattery, Doug Bownas, Ed Snier, Lou Conti, and Robert Elia, accompanied by Shirley Clarett.

Colorful costumes and scenery, copies of the originals, some love making, a little comedy and good singing on the part of both the leads and chorus proved to be successful ingredients. It was told plainly by the applause that the "Mikado" was a hit.

COUNCIL Rock

The Mahoning Valley was undoubtedly occupied by populous Indian tribes and numerous legends indicate that it was occasionally the scene of important councils. Such a legend is the story of Council Rock, a huge boulder still one of the curiosities of Lincoln Park. This legend has been recorded in a painting in the Mahoning County Court House.

According to tradition, the Indians had gathered in this gorge, as was their annual custom, for a council and feast, when a violent storm occurred. Many trees were blown down, and the rock was split by a terrific bolt of lightning, killing many of those who had taken refuge near it. This legend is supported by the fact that Council Rock has evidently been broken in twain by some great force, as well as the fact, that the earliest settlers here found that an unusually large Indian cornfield occupied the land along the river at the north of this gorge.

The rock may have been rent by its own weight as it settled in its bed, and cornfields may have been due to the fact that the land at the point was rich and easily cleared. At any rate, no Indian councils were held in this locality since white men were here to observe the fact.

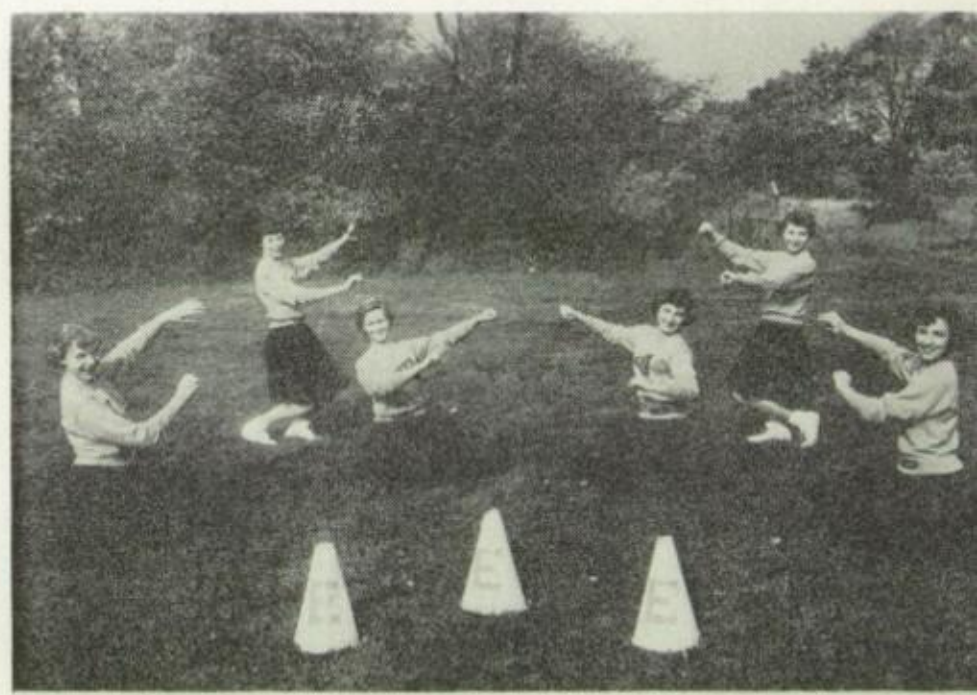

Left, Right, Left, Right, heads up, lift those legs, get ready, march, shouted Joanne Ambrosia, drum majorette, as she directed her six majorettes every morning throughout the football season.

These girls with their sparkling white uniforms and shiny white boots, worked closely with the band adding colorful movements for halftimes at the football games.

PRETTY PARADERS

The cadets, Carol Flesh, Ilene Rozich, Joanne Barber, June Rescineto, Sue Dietz, and Donna Riccatelli, under the leadership of Joanne Tavolario, always put on a dazzling show for the crowds. Their steps and antics were strickly from their own imagination; their initiative and long hours of practice, helped zoom them ahead. Miss Sandra Young, physical education teacher, sponsored the group.

CHEERLEADERS

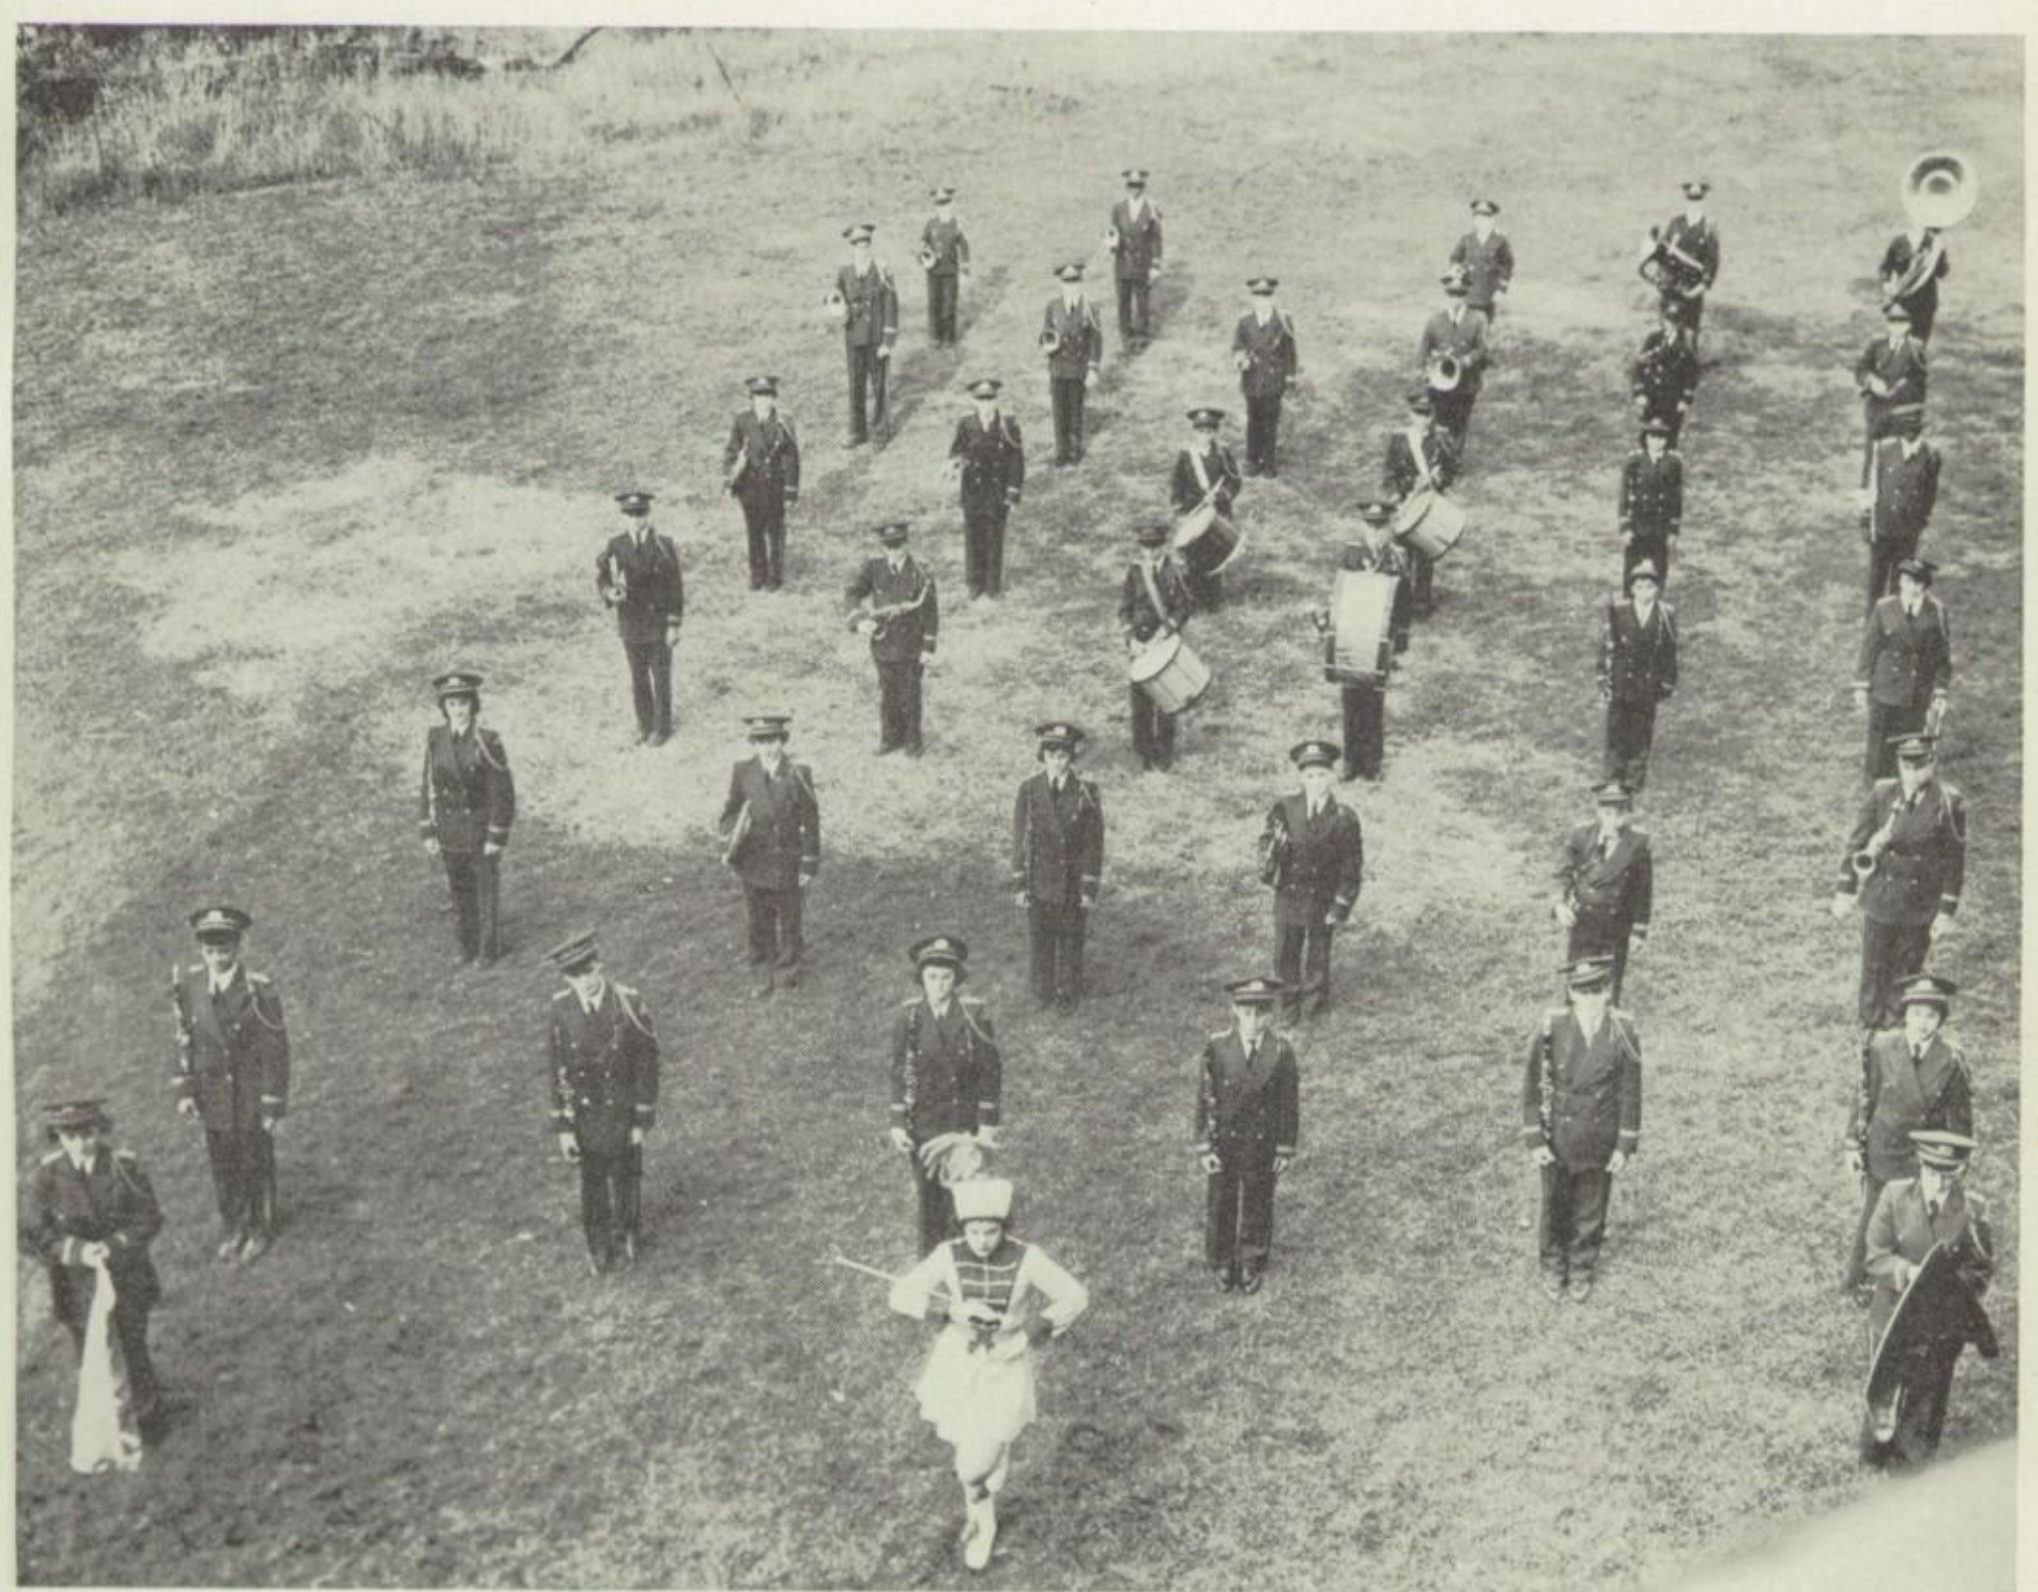

During the past summer our cheerleaders spent most of their time perfecting old cheers and originating new ones. Their pep and versatility added color to both the football and basketball games.

Left to right: Judy Luthern; Shirley O'Neil; Dorothea Wydick; Georgia Vassola; Pat DeLucia; and Marilyn Scali. Three veterans Judy, Georgia and Marilyn will graduate.

Hail to Ohio

Ohio, Our Own

***Years Soon Will Part Us
When School Days Are Gone***

Willingness to learn, plus the expert guidance of John Raz, is steadily improving the band and its activities which includes concerts, assemblies, and performances on the football field. Instruments are distributed to certain pupils in contributing grade schools who are interested in joining the band later. This has proved an excellent way to offset the vacancies left by graduating students.

Mentors of East

Hail! to Pete Lanzi, newly appointed football mentor, who came through with flying colors by sharing co-championship honors with the green and gold of Ursuline High. Following his high school days here at East, he continued his career on the gridiron as a star for Youngstown College. In 1949 he was chosen the Sports Personality of Youngstown.

Pete Koma—Participating as coach at East High for ten years, he has been acclaimed as one of the best scouting coaches in the area aside from his valuable help given as line coach. He attended Ohio State University and graduated from Grove City College.

Eugene (Duke) Barret—A graduate of South High School and Mount Union College, he came to East after one year at Pomeroy, Ohio where he was highly recommended as a coach. He took over the responsibilities of coaching the Reserve and Junior High squads and provided valuable help at line coach for the varsity.

Arthur Flauto—A graduate of St. Vincent College, came to East this past year from Lowellville, Ohio where he had been head coach for five years. As backfield coach he played an important role in our team's success.

Left to right: P. Lanzi, P. Koma, E. Barret and A. Flauto.

Bears Rally To Tie For Crown

East 19 — South 14

The Golden Bears inaugurated their '52 football season by turning back a much heavier Warrior eleven, 19-14. Davanzo, Saunders, and DelSignore tallied for the victors.

East 14 — New Castle 9

The Lanzimen made it two in a row, as they eked out a thrilling 14-9 win over the Red Hurricanes. Davanzo scored twice for the Bears.

East 20 — North 19

Overcoming a 13-6 halftime deficit, the East Siders roared back with two T.D.'s in the second half, to topple a determined Bulldog team, 20-19.

East 12 — Ursuline 34

Sparked by the running of Scattler and Kimmel, the Irish handed Pete Lanzi's eleven their initial setback of the '52 campaign. DelSignore and Carney hit paydirt for the losers.

Rah! Rah! Rah! Hail Men of East

East 41 — Chaney 16

After being held to a lone score in the first half, the Blue and Gold exploded with a five touchdown splurge in the second half to wallop the Cowboys from the West Side, 41-16.

East 27 — Rayen 7

The teams battled on even terms during the first half but in the second half the Bears came back strong, as usual when Saunders and Davanzo each bucked over the final two tallies.

East 20 — Mansfield 32

After taking a 20-18 lead on a beautiful 67 yard run by Ron Stoops in the final quarter East's defense faltered and enabled the Tygers to push over two late touchdowns to down the Golden Bears 32-20 in a heartbreaker.

East 6 — Memorial 12

Campbell Memorial handed the East eleven their third defeat in a startling 12-6 game. A Centofante to Wilcox pass, good for 30 yards and a score, proved to be the margin of victory.

East 30 — Wilson 13

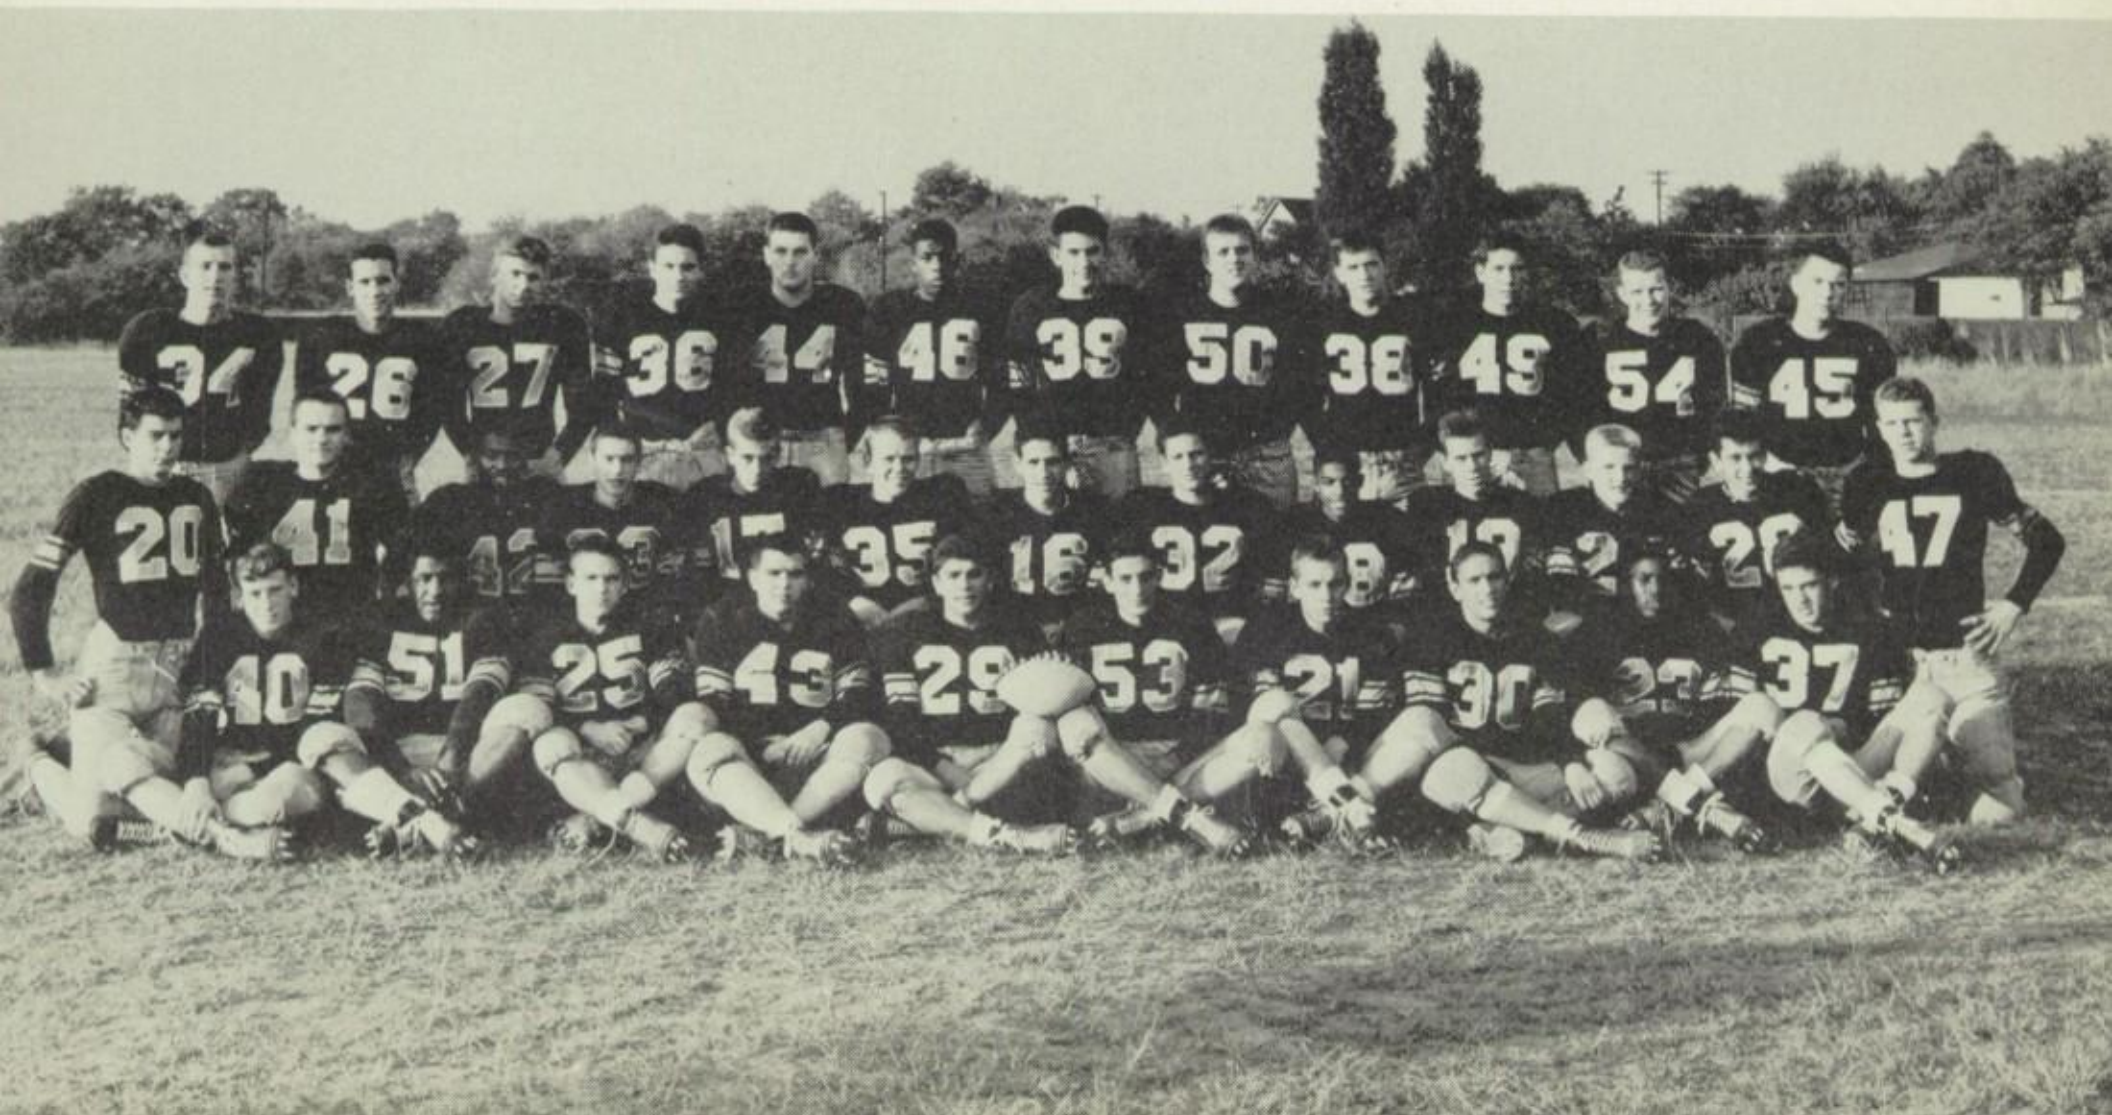

Adding the final touches to a successful Homecoming and Dad's Night, the keyed-up Bears romped to a decisive 30-13 win over the Presidents. Scoring more points than seven previous teams were able to aggregate against one of the best defensive teams in the state. The victory enabled the Blue and Gold to come out the winner in City Series Competition for the fifth straight year tying Ursuline for honors.

Cubs

East 0 — North 6

A touchdown resulting from an intercepted pass left the Cubs on the short end of a 6-0 score. Deadlocked, 0-0, in the last quarter, North intercepted a pass on the East 30 and went on to push across the only score of the day.

East 0 — Rayen 0

Outstanding on defense, the Cubs held the Rayen Tigers to a scoreless deadlock. Rayen advanced the ball as far as East's 2. There a Rayen pass was intercepted by Mike Davanzo who raced 68 yards to the Rayen 30, stopping the Rayen threat. The game ended in a tie.

East 0 — Ursuline 19

Ursuline, making good on more than half of its passes, bewildered the Cubs completely in their 19-0 victory.

East 14 — Chaney 6

Trailing, 6-0, at the half, the Cubs bounced back with 14 points in the last half with a brilliant display of offensive power in winning their first game of the season.

Yea !

Yea !

Yea East, beat Wilson: This was only one of the many cheers heard for blocks when East beat Wilson by the score of 30-19 to win the City championship and add that extra touch needed for our Second Annual Homecoming and Dads' Night.

The spectacular half-time started with a salute to Dads, sung by Bob Thompson preceding their introduction.

Smiles first, then chuckles, when the 1896 Sears Roebuck, followed by John Spieziale's decorated 1941 LaSalle, paraded around the field at the nerve wracking speed of 12 miles an hour. Four mummer heads, each representing an Opponent beaten, were dragged past by our Golden Bear, while Ursuline ran free, representing our only city loss. Majorettes, cheer leaders, cadets, and tumblers helped to complete festivities.

The end of a perfect evening was topped off by a mammoth turn out to our Homecoming dance at the Nu Elms Ballroom. Music was furnished by the Twilight Serenaders.

Those who deserve great credit for making this Homecoming a success were: The Misses J. Clarke, chairman, R. Bennington, S. Young, M. Carney, and Mr. J. Raz, Miss J. Babola, G. Alusik, H. Chick, A. Infante, Varsity "E," Tri Hi-Y, Key Club, Electron Club, Student Council and Y-Teens.

East's Hardwood Trio

PETE KOMA—The result of Coach Koma's gruelling work was a co-championship team which, following last year's undisputed champions, marked the first time in East High's history that we copped the City Series title for two consecutive years.

"DUKE" BARRET—Assistant Coach Barret's aid was invaluable this past year in our conquest of the city crown.

ART FLAUTO—Under the able guidance of Arthur Flauto, newly appointed Junior High coach, the basketball Cubs gained valuable experience for future years.

East 41 — Sharon 47

A big third period paved the way for a flashy Sharon quintet as they handed the Bears a 47-41 licking in their opening game. Dom DelSignore paced East with 15 points.

East 13 — Girard 9

East scalped the Girard Indians in an abbreviated exhibition at Struthers Memorial Field House. George Guerrieri took scoring honors with 6 markers.

East 54 — Canton Central 57

Dom DelSignore's 27 point spree was not enough as Canton came back strong in an over-time period to score seven points and capture the nod, 57-54.

East 72 — Steubenville 49

Avenging a pasting from the year before the Golden Hoopsters, led by DelSignore and Guerrieri with 26 points each, downed the Big Red, 72-49, for their first victory.

East 60 — Hubbard 64

The Hubbard Eagles hit the hoop with ease to down East, 64-60, on their home court despite George Guerrieri's 22 markers. A big second period, led by George Praznick, paved the way.

East 65 — Toronto 63

Tom Clark's free throws with two seconds remaining on the clock gave the Bears their second win in a hard fought duel. DelSignore and Guerrieri paced East with 25 and 20 points respectively.

East 42 — Struthers 52

The Wildcats from Struthers ripped the Golden Bears to pieces in a 52-42 upset unexpected by the fans. Don Dixon took scoring honors for the victors with 19 points; DelSignore and Guerrieri tied with 15 each for the losers.

East 43 — Rayen 52

The City Series opener saw East go down to defeat, 52-43, at S. F. H. when a sharp Rayen five hit on the majority of their field goal attempts. DelSignore hooped 20 but to no avail as a 10 point lead at the end of three quarters proved sufficient.

East 57 — North 60

Harold Davis proved the whole show in North's rally as they came back from a 45-37 third period deficit to down the Bears, 60-57. DelSignore and Guerrieri paced East with 18 and 17 markers.

East 63 — Chaney 57

East 62 — South 58

East High's spirited five raced to a first period lead and held it throughout as they scalped the Warriors from South, 62-58. DelSignore and Guerrieri sparked the attack with 23 and 22 markers, respectively.

East 54 — Memorial 56

The Golden Bears lost another heartbreaker in the last minute to the Red Devils, 56-54. DelSignore and Dellick took honors with 15 and 14, respectively. George Guerrieri missed the tilt due to an ankle injury.

Cheer! Cheer! Cheer! For Men of East

East 50 — Wilson 46

A cheering mob saw a determined East quintet come from behind in the last five minutes to measure the Wilson Presidents, 50-46. DelSignore and Guerrieri tied for scoring honors with 15 each.

East 69 — Boardman 49

The Spartans from Boardman fell by the wayside, 69-49. Led by substitute Jim Dellick with 26 points, the Bears were never in trouble in gaining their fifth victory.

East 40 — Ursuline 38

With the score tied and a minute to go in the game, Guerrieri's field goal and DelSignore's foul shots proved the margin of victory in a closely fought game. DelSignore's 19 points took scoring honors.

East 48 — East Liverpool 59

The Potters staged a rally after trailing at halftime to win their 14th game of the season. DelSignore and Guerrieri meshed 17 and 16 points, respectively, for the losers.

East 73 — North 54

The Golden Bears, led by Dom DelSignore's 24 points and a fine floor game by Ronnie Stoops, knocked off the Bulldogs to cop their second straight City Series championship. Fine team play sparkled as East hit on 38 percent of their shots and all starters scored in double figures.

East 59 — Brookfield 66

A desperate last quarter rally, after trailing by 21 points, fell short as the Warriors' lead was too big to overcome. Dom DelSignore's 19 points led the rally.

East 69 — Newton Falls 48

The Bears closed regular season play with an overwhelming victory over Newton Falls on east's court. George Guerrieri led the rampage with 26 markers.

N. E. O. Tournament

East 52 — Girard 60

Girard's Indians built up a lead in the third quarter to eliminate the East hoopsters from the tournament, 60-52. DelSignore and Guerrieri paced the Bears with 21 and 18 markers, respectively, but the Indians' balanced attack proved too much as they connected on 40 percent of their shots.

This ended the season for our Golden hoopsters who, for the first time, copped the City Series crown two years straight and ended with a record of 9 wins and 11 losses.

Posts Nation's High Single Game -- 1055

After the dust had cleared and the last pin of the season had fallen, East's Golden Keglers found themselves perched in second place, headed only by Wilson. After a poor start, East put on a terrific spree of victories, and midway through the season were holding down top position. Then gradually, game by game, they fell to second place behind Wilson where they finished the season with an impressive record of 37 wins and 26 losses for an average of 866. During league play, East posted the nation's high single game of 1055.

After the fourth week, Tony Cordetti's top average of 181 was lost to the team due to ineligibility, as was Bob Carmendy later in the season.

In the Doubles Tournament, East captured second and third places with Ronnie Hannis—Jerry Kernan posting 1188, and Joe Saadi—Jim Kernan totaling 1144. First place honors went to the Rocco Aces with 1199.

East entry in the American Junior Bowling Congress Tournament did not fair too well as they totaled only 2589. Pacing the Keglers were: Ronnie Hannis with 507; Jerry Kernan with 505; and Joe Saadi with 492. This year the tournament was held at Hy-Score Recreation Center in Austintown.

As in previous years, John Hunter coached the keglers.

Bring First State Golf Championship to Youngstown

Last spring Bear golfers traveled to Columbus to compete in the state finals, and brought home Youngstown's first high school golf championship. They also tied with Rayen for the City Series crown.

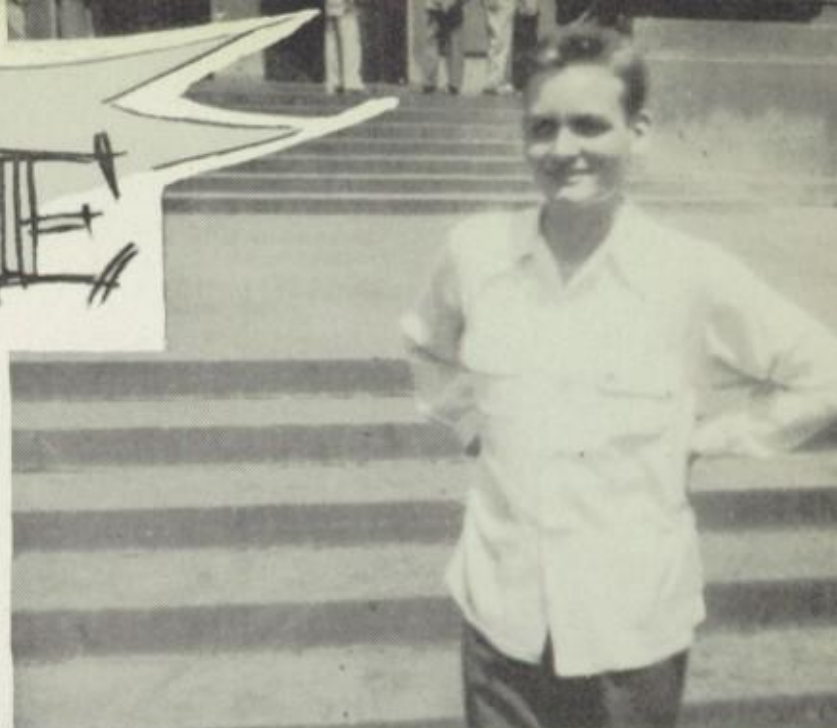

Although veteran golfers, Bill Demidovich, Billy Carroll, George Bellino and Carl Demidovich are all gone from last year's championship team, E. R. Smith is hopeful his '53 team will come along in fine manner. The team will be built around letterman and captain, Joe Bellino. Promising newcomers are: Bill Berger, Sam Bezzaro, Bill Demidovich, Nick Altier, Joe Pignatelli, Bob Pagley and Carmen Davanzo.

All matches will be played at Henry Stambaugh Golf Course.

In Memoriam

Miss Ella Phelps, senior English teacher at East, passed away on June 3, 1952. She had been a member of the East High School faculty since the school opened in 1926.

In our hearts the memory of Miss Phelps will linger as one who gave the last full measure to education, a vocation that meant so much to her.

We, the class of "53", will long cherish the memory of Shirley Sloan, one of our classmates who passed away September 14, 1952.

Because of her kindness, sincerity, lovely manners, and good sense of humor, Shirley was loved and admired by both members of the faculty and her friends.

She participated in many school activities, and was a member of Y-Teens, Tri-Hi-Y, National Honor Society and Majorettes.

A real sharpie who is lots of fun
to have around. Keeps that pretty

Congratulations, Classes of 1953!

This is an inaugural year! Our own land begins a new presidential era. England assumes a new ruler. And YOU open the page to a new and exciting chapter in your own life's story!

But stop for a moment before you begin! Check your equipment and understand your best dreams. Then take to the path that leads to success with confidence. There will be disappointments, of course . . . when your goal seems far off and the course rugged. But remember that many have vested their hopes in you . . . just as America looks to Ike, as England is revived by the wholesomeness of Elizabeth.

And so it is YOUR year of commencement . . . YOUR moment of challenge . . . YOUR year of inauguration! Add our name to your list of friends who are certain that you will reach the high pinnacle of joy and success.
